

Batten T5 High Output

cryselco.co.uk/b5h

An inexpensive alternative to a Low/High Bay type fitting, using the economy of twin 80w T5 lamps (> 12,000 lumens) with a highly polished 320G aluminium reflector (as shown). Also available with a MIRO85 mat louvre to special order - please enquire for details.

Suitable for surface mounting or suspension (kits not supplied).

Emergency - Three hour maintained integral emergency conversion available in some sizes (please enquire)
