

Butterfly Slotted T5

Butterfly Slotted (view from above)

Butterfly Slotted (view from below)

Butterfly Slotted (with wires)

Further to the success of our standard Butterfly range we have decided to launch a slotted version for increased upward light.

This range is ideally suited to suspension, and suspension sets are also available. Initially this new extension of our range is only available in T5 35w or 49w (80w to special order).

This range is also available in an **unslotted variant**.

Ordering details and dimensions (mm)

<u>Catalogue number</u>	<u>Lamps</u>	<u>A</u>	<u>B</u>	<u>C</u>	<u>F/C</u>
BY/SLOT/ 235 T5/+	2 x 35w T5	180	1512	80	1254
BY/SLOT/ 249 T5/+	2 x 49w T5	180	1512	80	1254
