

## Surface Fly T8 & T5

Luminaire for flat ceiling mounting. Manufactured from zinc coated steel finished in white powder coat with ABS endcaps.

The two white side reflectors have an attractive curvature which leads to a centrally mounted semi circular controller. The controller is perforated to distribute indirect downward light and is covered on the inside by an opal diffuser which also provides upward light as recommended by LG7.

T8 and T5 versions available. Please refer all 80w enquiries.

**Emergency** - Three hour maintained integral emergency conversion available on 36w & 58w. For other sizes please enquire.

Fly T8
